

NORTH PLAINFIELD
H1-N1 CLINIC

North Plainfield's free H1N1 (swine flu) Walk through Flu Shot Clinic will be held on Saturday December 12th, 2009 from 12:00 – 3:00 pm. The clinic will be held in the gym of the North Plainfield Middle School located at 34 Wilson Avenue in North Plainfield.

The Somerset County Department of Health will be running the H1N1 Walk through Flu Shot clinic which will be for persons age 4 and older who are in one of the five priority groups established by the Centers for Disease Control and Prevention.

These priority groups, based on those most likely to be affected by H1N1 are:

- Pregnant women
- Household contacts and caregivers for children younger than 6 months of age
- Health-care and emergency medical services personnel
- All people age 4 years through 24 years of age
- Persons aged 25 through 64 years who have health conditions associated with higher risk of medical complications from influenza

To schedule an appointment, visit the H1N1 clinic link on the Somerset County Health Department's website at www.co.somerset.nj.us/health. Once the appointment scheduler is launched on the website, access is open to all New Jersey residents, and spots are expected to fill up very quickly -- so please schedule an appointment promptly. Only those in the priority groups may receive vaccination, and walk-ins will be served only if there is extra vaccine available.

For more H1N1 information, and the link to schedule vaccination appointments, please visit the Somerset County Health Department's website at www.co.somerset.nj.us/health
